April 28th 2017: The Clean Money Revolution -
Reinventing Power, Purpose and Capitalism

By 2050, \$40 trillion will change hands in North America alone. The largest intergenerational wealth transfer in history is underway and the ramifications will remake the world. The dirty money of "business as usual" is on the brink, wedged between catastrophic climate change and the demographic tidal wave of Millennials pounding the consumer table for real change. These forces are transforming the very nature of capitalism into something different and powerful — towards a clean money revolution. Joel Solomon, pioneering clean money investor and change agent, lays it on the line. The revolution
