Getting In: A College Coach Conversation
Thursday at 1 PM Pacific
June 22nd 2017: How to Choose the Best 529 Plan; Planning Ahead for Acceptance to a Top MBA Program; How Does Your Undergraduate College Choice Affect Getting Into Medical School?

A lot of our listeners have graduate school on their minds, concerned about how their undergraduate choices will affect their chances of acceptance to MBA programs and medical school. This week we welcome experts in both fields to discuss how important where you go your undergraduate work is to medical school acceptance, including how that decision is factored into the med school admissions process. We'll also cover the steps students should be taking during their undergraduate years if the ultimate goal is to earn an MBA. For those focused on saving for the undergraduate program, we'll offer

Lauren DiProspero
I was one of those high school students who really enjoyed the college discovery process. I enjoyed passing along my knowledge to friends looking to add to their college lists, but I didn't realize I could make a rewarding career out of admissions until after college.
