Featured Guests

Al Sanchez, Jr., CEO AMARC Enterprises

Al Sanchez, Jr. CEO AMARC Enterprises is a member of the Foundation for Advancement in Cancer Research. He speaks at health conferences throughout the world where he shares his research and experience about degenerative diseases. He is also the president of Poly-MVA which provided a unique nutraceutical that is used at many integrative clinics for people dealing with cancer and other chronic diseases. After losing both his mother, Julia, and sister, Tina, to colon cancer, he committed to joining family, friends and colleagues in their quest to find better options, access to information, treatments, and hopefully one day a cure for those stricken with such a devastating disease. He is d.....
